100 Ladge Dr; T-Mobile

This was a joint meeting with the Planning Board to review findings and answer questions previously brought up to the representative involved in this matter. For descriptive minutes please see attached courtesy of the Planning Board.
Re-continued for September 16, 2010 at 6:30pm with the Planning Board.

Dresser Inc; 85 Bodwell St

Mr. Tisdelle answered the questions that the commission had brought up in regards to the sewer and roof drain project. After some discussion Mr. Mooney motioned to approve the project with the following conditions:

1. Silt sack in catch basin at corner of building.
2. Sweeping as necessary in access area.
3. Storm Water Management Plan to be updated & to include existing detention basin.
4. As built plan to be submitted & filed with all departments and recorded with the Norfolk County Registry of Deeds before cert.of compliance is issued.

Mr. Hulien seconded the motion. Passes 5-0

Next meeting Thursday, September 16, 2010 at 6:30pm

Mr. Hegarty motioned to adjourned, seconded by Ms. Metcalf. Passes 5-0

Meeting adjourned at 9:05pm
